

## Recreation Internship Opportunities

The University of California, Merced is the newest and tenth campus of the University of California system and the first American research university built in the 21st century. With more than 5,600 students, UC Merced has planned for additional student growth until we reach an enrollment of approximately 25,000 students (10,000 by 2020). With undergraduate, graduate, and PhD programs, plans for a future medical school program, partnerships and community involvement, the UC Merced campus is continually evolving, requiring talented, knowledgeable and dynamic educators, researchers, management and staff.

UC Merced Recreation & Athletics is a member of the Division of Student Affairs. Recreation & Athletics provides a broad range of programs for students, faculty, staff, affiliates and the community in intramural sports, outdoor adventures, fitness/wellness, sport clubs, and intercollegiate athletics. More information about our program can be found at [recreation.ucmerced.edu](http://recreation.ucmerced.edu).

Under the supervision of the of specified Recreation staff, the intern must be energetic, responsible, organized and motivated to assist in a variety of Recreation department functions. The primary purpose of the internship is to enable individuals to meet his or her educational and/or career objectives through participation in practical experience.
